To download your degree certificate from DigiLocker NAD, you can follow these steps:

1. Create a DigiLocker account at digilocker.gov.in using your Aadhaar or mobile number.
2. Log in to your account.
3. Click on Browse Documents in the left menu, then go to the Education category.
4. Find your institution's logo and click on it.
5. Select the document type.
6. Enter the required details, such as your roll number, registration number, name, and year of examination.
7. Check the box to provide your consent.
8. Click on the Get Document tab.

Your degree certificate will be available for download in the Issued Documents section. If, your document is not found then your institute has not shared your aadhar number. Please contact your institute.
