

Introducing Yourself

- I am *Ankita Tiwari*. I come from a small middle class family in Jabalpur. We are a family of four.
- The person who has a strong influence in my life is my father *Mr. R.K. Tiwari*, working in *M.P.E.B*. The other person who always motivates and is there beside me is my mother *Ms. P. Tiwari*.
- The institutes that has molded me as an individual is my school , St. Joseph's Convent.
- I have graduated in first class both in secondary and higher secondary examination.
- Right now I am pursuing my Bachelor of Engineering in *Computer Science* Stream from Gyan Ganga College of Technology. I want to become a successful engineer for my nation, society and for my family.
- To tell about myself personally , I am an honest, diligent and punctual person. I am sincere about my academics.
- I like people who are punctual, credulous and with integrity. On the contrary I dislike people who are deceitful, deceptive and hypocrite.
- I have chosen engineering field as a career because this field is the most important field for the development of our nation and our mankind. I want to have a niche in the field of development in engineering so that I can pursue my quest of a research.
- In my leisure time I usually spend time in gardening, reading books both fiction as well as non fiction. I am also interested in music. Listening to both soft and classical music.
- In future I would like to join some NGO's to help out people who are less privileged and contribute my bit for the up liftment of the same.
